

Teacher/Staff appreciation week – May 4-8, 2015

Monday: Give THANKS for all they do!

Parents and Students thank your teachers and staff with cards and notes of appreciation. Younger students can draw a picture to show their appreciation.

Tuesday: Pamper the Staff!

Think of something that would make them feel special (flowers, a sweet treat, etc...)

Wednesday: Give them a break!

Parent volunteers are needed to cover lunch and recess duty today so that the teachers and staff can be treated to a special lunch. To volunteer please contact the school office by April 29!

Thursday: Have the "Nerve to Serve"

Students think creatively and find a way to serve your teacher and favorite staff member today. Consider volunteering to help at Immanuel's next workday (Saturday, May 2) in honor of your teacher. Parents can do this too! See the school office for details.

Friday: Shower them with Supplies Day!

Treat your teachers and staff to classroom materials, such as stickers, dry erase markers, stamps/inkpads, pencils, paper or books etc. Teachers also appreciate gift cards (think Scrip gift certificates!) that help them purchase the little extras needed in their classrooms. Also, make sure to check your student's supplies and replace anything they may need. This is a way to help our teachers out too!

***Another great way to recognize your teacher** is by contributing a gift of any size in their honor to the Immanuel Lutheran School Endowment Fund. Do this in addition to or in lieu of the above suggested ways of expressing thankfulness. To take advantage of this wonderful opportunity, please see Terri Durnbaugh at the scrip window.*
