

Teacher/Staff appreciation week – May 5-9, 2014

Monday: Give THANKS for all they do!

Parents and Students thank your teachers and staff with cards and notes of appreciation. Younger students can draw a picture to show their appreciation.

Tuesday: Pamper the Staff!

Think of something that would make them feel special (flowers, a sweet treat, etc...)

Wednesday: Have the "Nerve to Serve"

Students, think creatively and find a way to serve your teacher and favorite staff member today. Middle school students may help wash teacher's cars after school in the ILS parking lot.

Thursday: Give them a break!

Parent volunteers are needed to cover lunch and recess duty today so that the teachers and staff can be treated to a special lunch.

Friday: Shower them with Supplies Day!

Treat your teachers and staff to classroom materials, such as stickers, dry erase markers, stamps/inkpads, pencils, paper or books etc. Teachers also appreciate gift certificates that help them purchase the little extras needed in their classrooms. Also, make sure to check your student's supplies and replace anything they may need. This is a way to help our teachers out too!
