

Box Tops and Labels for Education/Campbell's

This month (September) is the 20th birthday of **Box Tops for Education!** They are currently offering bonus Box Tops and/or sweepstakes at Sam's Club, Costco, Safeway and Wal-Mart to celebrate, and the **Box Tops Bonus App** is now available for bonus offers on both apple and android.

Clip and submit **Box Tops** by placing in the appropriate black fabric cube by the PTF table (in the Scrip hallway). Box Tops are on many products and it's amazing how quickly those dimes add up. It's an easy way to support Immanuel Lutheran School! For more information, visit the website www.boxtops4education.com

Please consider entering the **Campbell's Grand Stand Sweepstakes**. 100 schools will win \$10,000 each, and you could win your own \$175 Prepaid Visa Card.

Visit <http://www.grandstandforschools.com> , provide the zip code of 80538 and select Immanuel Lutheran School to enter up to once per day until Oct. 31st. A school in Berthoud won \$10,000 last year!

Labels for Education/Campbell's has decided to temporarily accept specific labels while Labels for Education logos are removed from packaging. However, only intact UPC (barcode) labels with a **Labels for Education** logo will be accepted. If you are unsure, submit the labels to the fabric cube at the PTF table and we will sort them. Labels will be similar to this, but may look slightly different:

Select frozen **Tyson** products contain an area (usually black) to clip and submit to schools. Please place these clippings in the same black cube as Box Tops.

Thanks for your support and willingness to help Immanuel Lutheran School. We appreciate you!!
