

INVITE NEIGHBORS TO BIRTHDAY PARTY FOR JESUS

This event is meant to give your children (age 3 through grade 4) a Christ-centered Christmas activity, and to provide something that you can invite your neighbors to. This year's theme is "gift," so the presentations will emphasize Jesus as God's gift to us. The game will be about God's gifts to us, and in the craft room the children will make a gift and wrap it to give to someone special. All are invited to bring a non-perishable food item laid at the foot of the cross as a "birthday present for Jesus." Children will be guided through the activity stations at 10-minute intervals. You have the option of pre-registering for a time slot on the Immanuel website, to shorten your wait time. The first slot at 9:30 is for the preschool children who will be released from the Immanuel pageant rehearsal to take part. The slots from 9:40 to 10:50 are now ready for pre-registration at the church website. Allow about an hour for your child to go through all the activities. This is a free event, and walk-ins are welcome. Invitation flyers to give to neighbors are at the volunteer sign-up table in the atrium.
