

Immanuel Lutheran School is excited to support the American Heart Association and Jump Rope For Heart in 2014! The students will have the opportunity to celebrate being heart heroes through fun physical activity and optional donations to support kids with sick hearts while earning thank-you gifts in the process.

The 35th Anniversary celebration of Jump Rope For Heart will officially kick off at Immanuel Lutheran School on February 7. Our Jump Rope for Heart program will engage the students in fun physical activity, while also providing them with vital educational information about heart health. Every child at Immanuel Lutheran School will benefit from the program. While the charitable giving is optional, we hope you'll help us in reaching our goal of **\$2000.00.**

You will be able to make a contribution online directly to your student once we officially get things started – be watching for the information packet your student will be bringing home the week of 2/07/14.
