

## Pennies for Patients

It is that time of year again! We will be collecting money for The Leukemia & Lymphoma Society. The Leukemia & Lymphoma Society uses this money to help patients with blood cancers live better, longer lives. Since 1994, millions of dollars have been raised in pennies and other spare change by more than 10 million elementary, middle and high school students throughout the country. All the funds, collected during a two week period, benefit The Leukemia & Lymphoma Society.

Collection Dates: March 11<sup>th</sup> – 28<sup>th</sup>

Little boxes will be sent home on March 11<sup>th</sup>. Please put your class on the outside of the box when you turn this in, so that your class will get credit for all the money you collected. In addition, there will also be a collection box in each classroom. Classes will be competing to collect the most money to earn points for a class prize. The prizes will be announced next week.

In addition, on Thursday March 20<sup>th</sup> at 2:15, we will be attending an assembly hosted by the Leukemia & Lymphoma society. Their speaker will be a student that can share with us the struggles of being a child with cancer and the ways our Pennies for Patients campaign helps find a cure. You are welcome to join us in the sanctuary for this assembly.

Have fun collecting money for this great cause!

Thanks,

*Drossan J Williams*
