

TERRACYCLE FOR ILS

(Updated 9/9/15)

Drink Pouch Brigade - *any brand* foil juice pouch, including the straw! Drink pouches with spouts accepted too. Please drink all your juice or squeeze them out. Put these in the separate bins for juice pouches to keep the wet sticky stuff out of the dry stuff.

Chip/Snack Bag Brigade – *any size, any brand, any condition* empty chip, pretzel, or snack bag, including 100 calorie wrappers. This includes the larger plastic bag that held smaller snack sized bags of chips, bags of cracker jack, and any other chip, pretzel, or cracker bags.

Energy Bar & Cliff Bar Wrapper Brigade – *any brand, any condition* foil bar wrapper. Includes energy bars, granola bars, meal replacement bars, protein bars, diet bars and *any* Cliff Bar & Co. wrappers (Luna, MOJO, Cliff Kid-Z, etc.)

GoGo Squeez Brigade – GoGo Squeez snack pouches and *any brand* healthy snack pouch plastic packaging, sealed with the caps please!

Scotch Tape Brigade – *any size, any brand* plastic tape dispensers and cores.

Writing Instruments Brigade – *any brand* pens, mechanical pencils, markers, highlighters, permanent markers & all of their caps.

Personal Care and Beauty Brigade - *any brand, any type* of personal care/beauty packaging. Examples include lotions, sun tan lotion, face wash, body wash, lipstick, lip balm, mascara, makeup *cases*, eye & lip pencils, shampoo and conditioner *bottles and tubes*, hairspray bottles & triggers etc. Please *clean them out* as best you can and *seal them* with their caps so they do not leak! NO hair spray or sunscreen spray cans, no nail polish bottles, or nail polish remover bottles.

Colgate Oral Care Brigade – *any brand* of toothpaste tubes & caps, toothbrushes, toothbrush or toothpaste outer packaging & floss containers. NO Electronic toothbrushes or parts accepted.

*Any sorting you do with what you collect at home is a **big help** to our parent volunteers. For example, stuff all the chip/snack bags inside one chip bag, all the bar wrappers in a clean/dry Ziploc or shopping bag.

*Collection bins are located in the hallway by the SCRIP office.

*All Terracycle items are turned in so they can be upcycled into new products. This diverts less trash to our landfill and earns money for our school.

THANK YOU FOR SUPPORTING IMMANUEL!
