

What Are Our Kids Thinking?

- What do our adoptive and biological children, think about themselves?
- Where do these beliefs come from and how can we help shape them to impact their identity and behavior?

Join *Living Vine Counseling, LLC* on Saturday, January 25, 2014 from 10am-noon at Immanuel Lutheran Church (located at 50th & Hwy 287) for an interactive look into the thought processes and beliefs our children hold about themselves and learn how we can best meet them where they are.
