

ILS Students Invited to Sing for National Lutheran School's Week

Parents,

All 1st through 5th grade students are invited to sing for worship at Immanuel on **Sunday, January 25th** during the offertory portion of the services. This performance is a way to express thanks to the congregation for their support of our school, and to kick off National Lutheran Schools Week.

Please fill out the reply below and return to the school office so we can get a count of students per service. We will be meeting prior to services in the gym. This reply is due back on **Wednesday, January 21st**.

Thank you, Mrs. Tremblay
